

# More or Less?

Look at the electronics in each box,  
and circle the group that has more.

|                                                                                                                                                                             |                                                                                                                                                                                              |
